ARE YOU READY?

WE'RE HERE TO BE YOUR PARTNER IN EMERGENCY PREPAREDNESS

CUSTOM TABLETOP EXERCISE WITH VIRTUAL FACILITATION

We perform how we train. Our consultants will work with you to craft a training exercise solution that fits your unique needs and organization. Our tabletop exercises are designed with HSEEP best-practices and use a capabilities-based methodology.

We will facilitate the planning and development process, craft unique content, and deliver the exercise in a virtual environment. Following the exericse, we will provide an evaluation along with an improvement plan template based upon the training outcomes.

OUR APPROACH

1. Engage stakeholders.
2. Review existing plan(s) procedures, & documents.
3. Conduct needs assessment.
4. Establish capability targets.
5. Determine exercise format.
6. Draft exercise content.
7. Hold planning sessions.
8. Create logistics plan.
9. Facilitate exercise.
10. Review evaluation and next steps.

UNIQUE SOLUTIONS

We utilize a strong blend of research, assessment, creativity, and expertise to craft a solution that is as unique as your organization. Preparedness doesn't have to be complicated. We've made it easier and more affordable than ever to start preparing for a crisis response.

FOLLOW-THROUGH

We offer virtual and instructor-led table-top exercises, live drills, and custom training solutions on dozens of capability targets in several industries. Let's put your plans to the test.
